MAKING OF A **CLASSIC**

PITCHFORK — 88

CLASSIC 40TH EDITION
AVON PARK HIGH SCHOOL
AVON PARK, FL

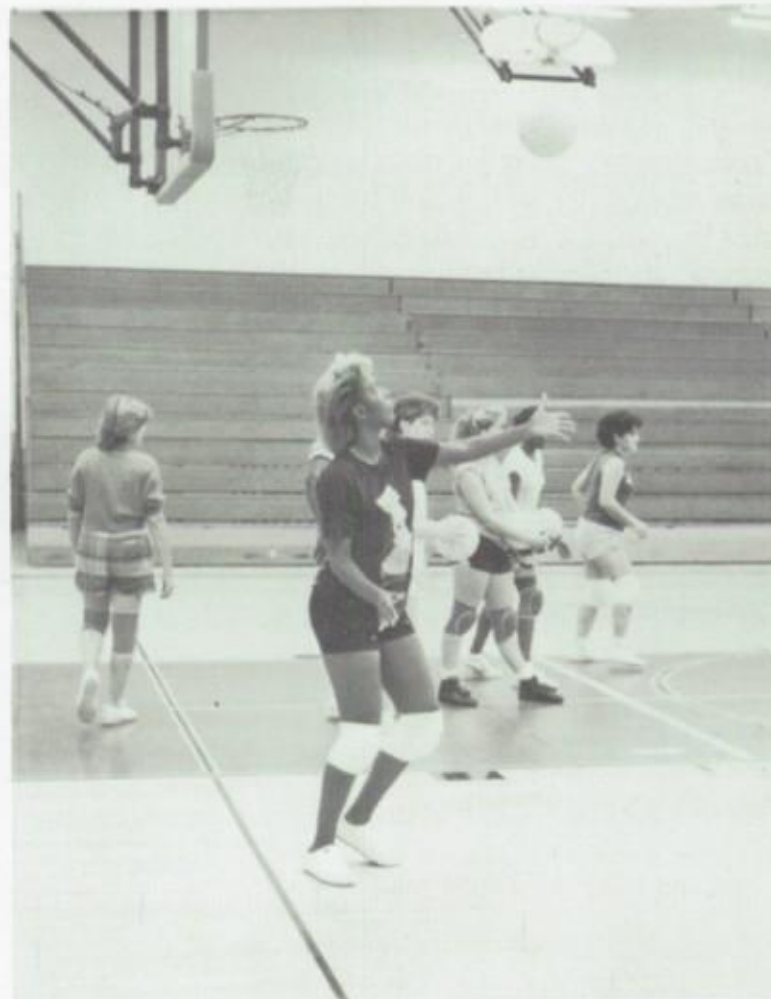

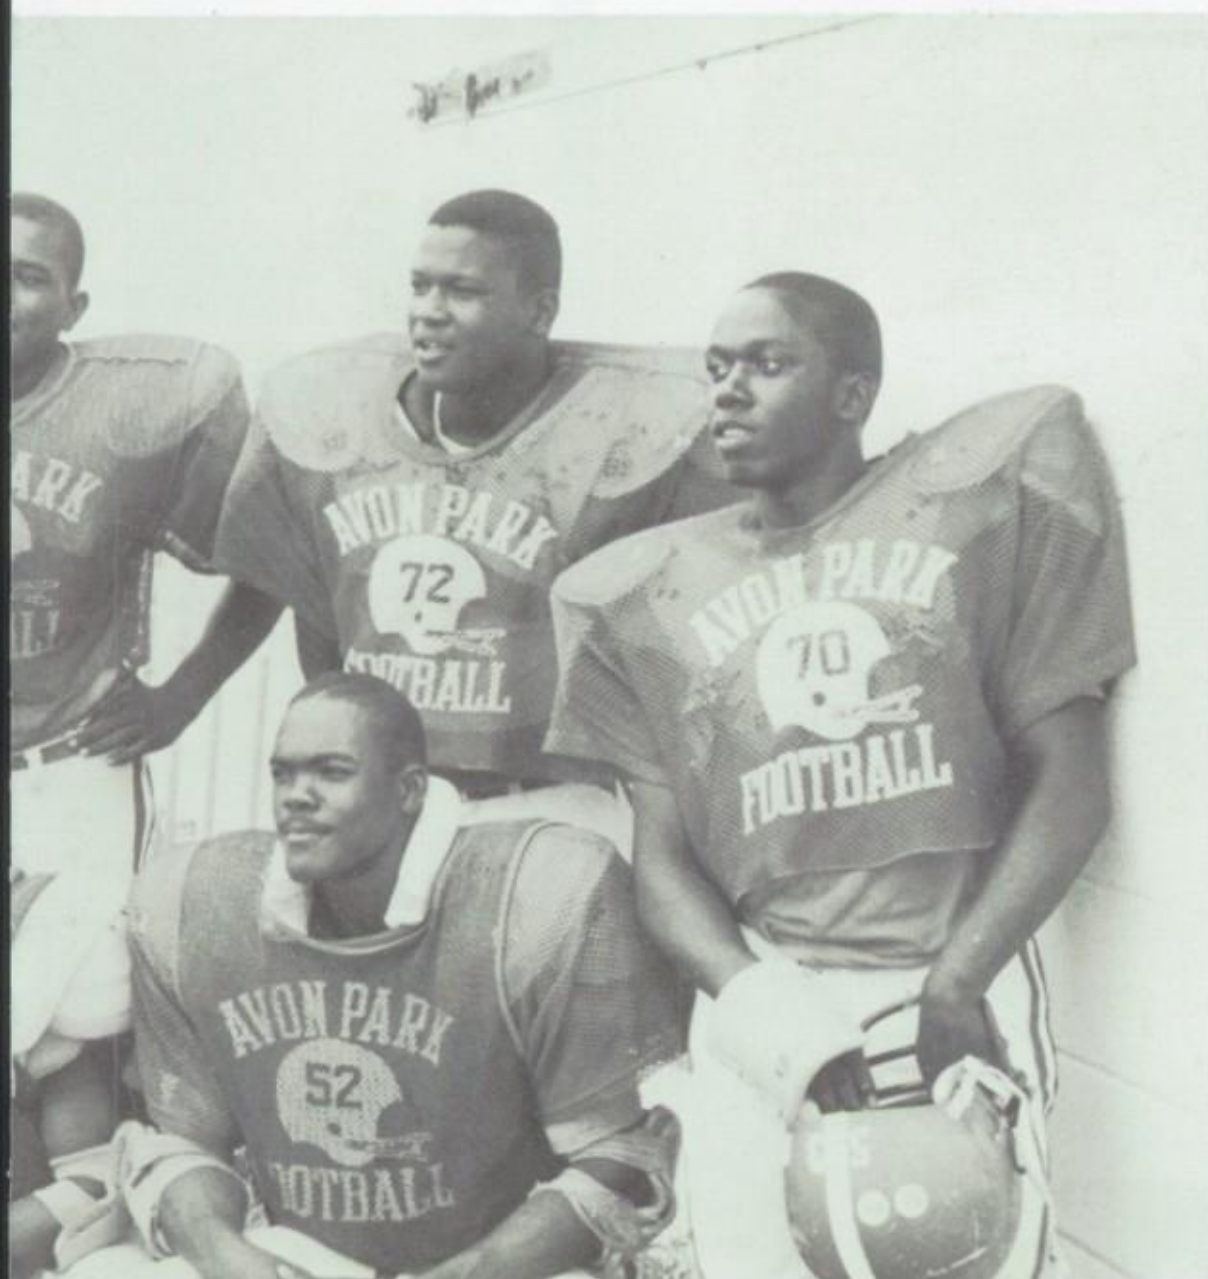

Getting In Gear For A CLASSIC Year!

As the summer of '87 came to a close, we once again donned our helmets, fluffed up our pom poms, shined up our horns, and took home our books. It was rough to get back into a routine again, but we knew that we had to because it was obvious that this year would be a CLASSIC at APTS — one that no one would ever forget.

Determined to succeed, we struggled and accomplished our goals — catching a pass, perfecting a drill, getting the perfect date, or passing a test — whatever we did, we always tried our best.

Though the routine sometimes seemed endless, we were sure that it would soon pay off!

A CLASSIC In The Making.

This year came easy for the students of APHS. We performed together, prayed together, and even found the time to enjoy the victories and words of praise that resulted from many, many hours of practice and hard work.

Each moment proved to be not only a job well done, but created moments that will remain in the hearts and minds of those who spent their time making the CLASSIC events superior to that of any other.

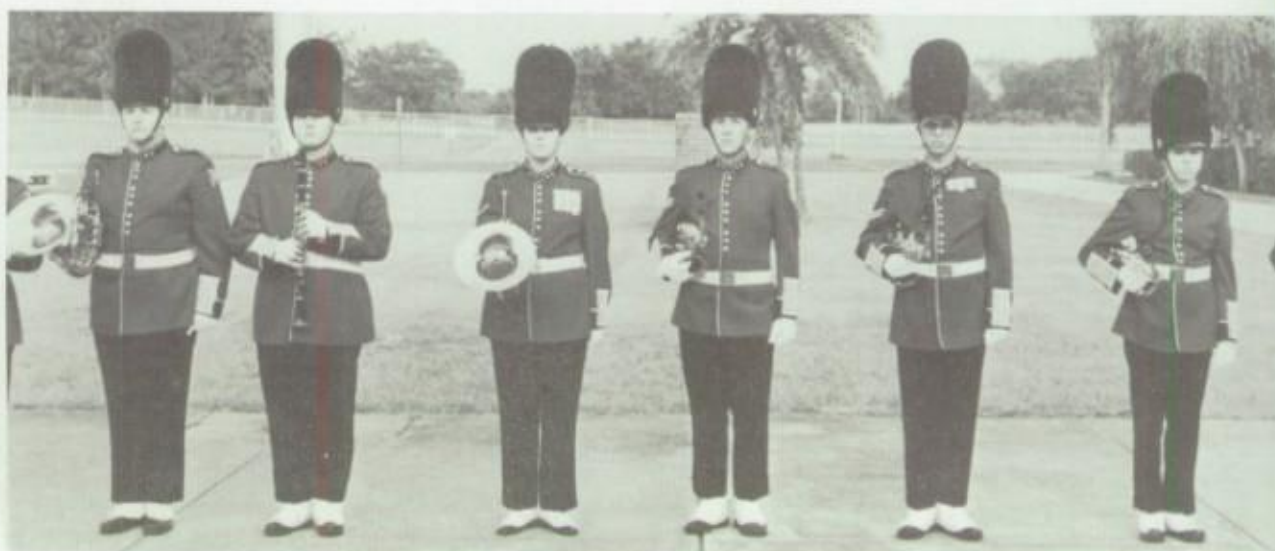

A CLASSIC Captured.

As we struggled through all the difficulties, we still always took the opportunity to have a good time, and the fun we had always turned out to be CLASSIC.

Our moments of glory always brought out the best in each of us, and we knew that we would make it all the way.

Taking advantage of our talents and abilities, we always proved to be the best in the crowd in everything that we did, and those were the times when the CLASSICS were Captured.

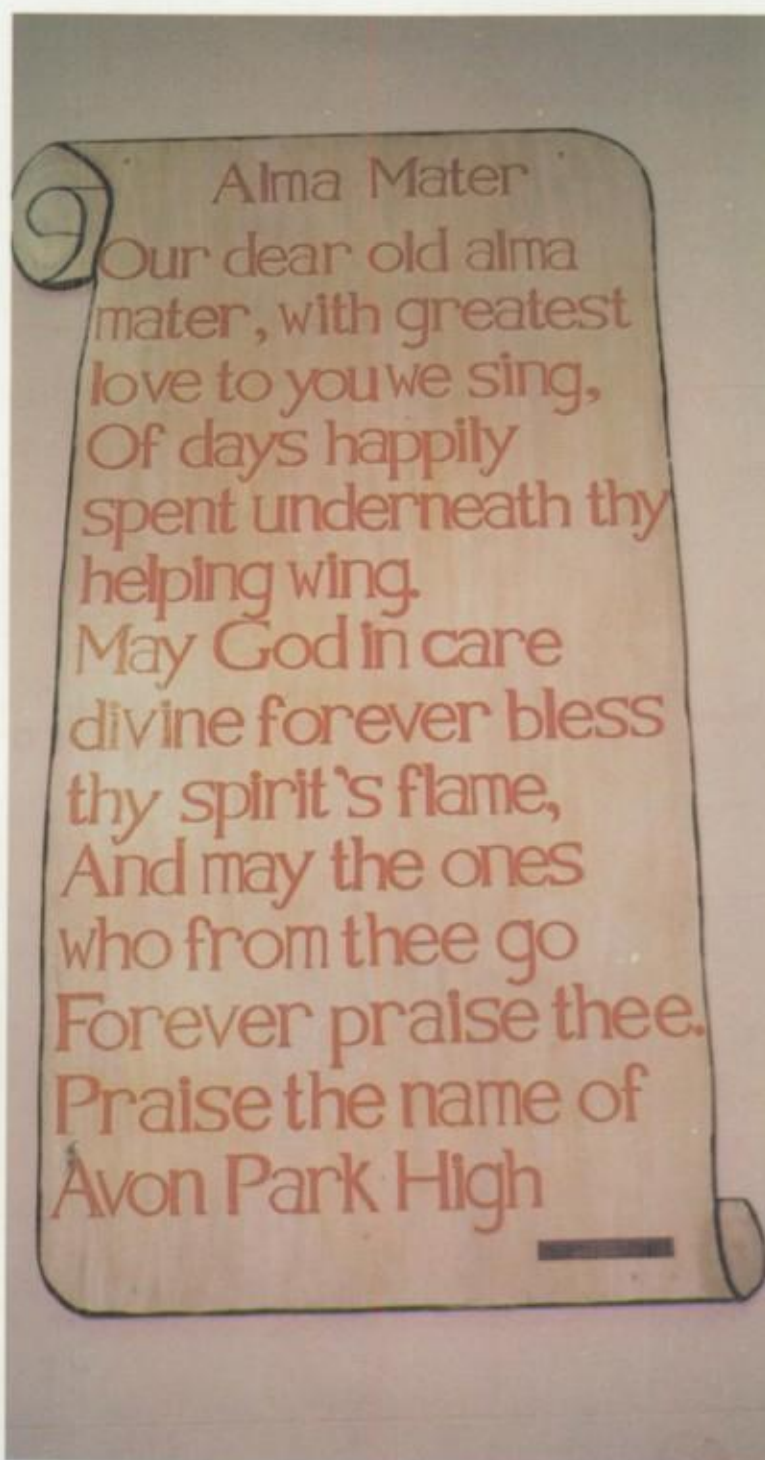

That CLASSIC Devil Pride

What would happen if everyone depended on everyone else to attend the football games, get involved in pep rallies, play in the band, or even try out for cheerleaders? Nothing would happen, and APHS would become nothing. Thank goodness the students at APHS have pride in themselves and their school.

Pride and APHS go hand in hand. From the hard-earned victories won by our football teams with the energetic encouragement of our cheerleaders to the single student enthusiastically singing the Alma Mater during pep rallies, all the exuberant participation and high-spirited attitudes shown by everyone prove over and over again that APHS has that CLASSIC Pride.

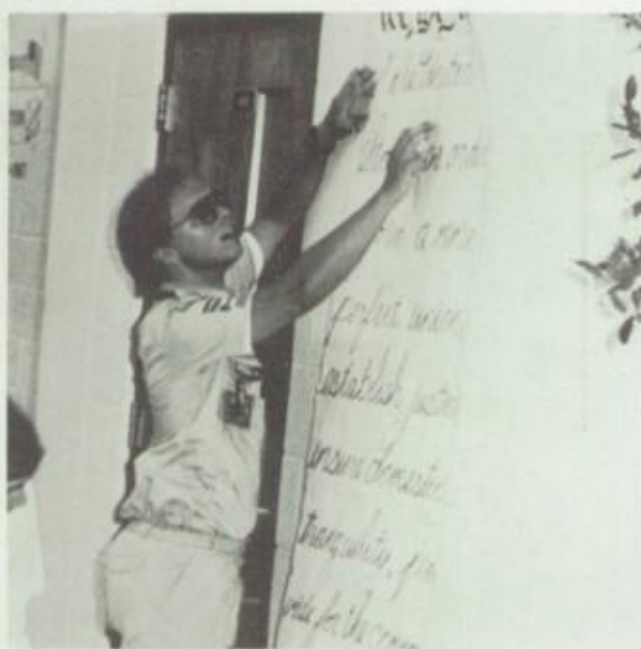

CLASSIC Moments

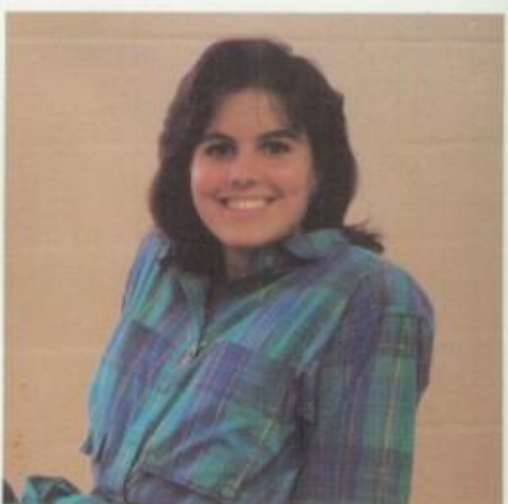

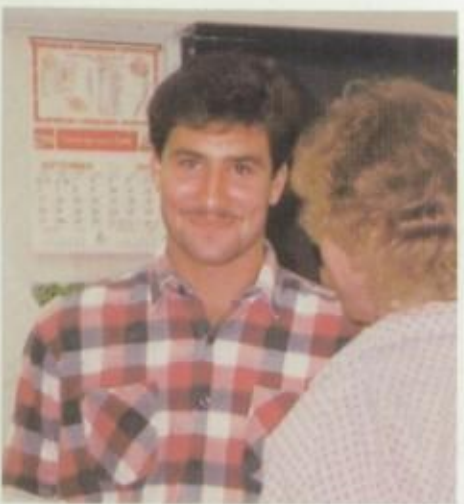

The moments we spent with our friends were always special. Friendships that were shared kept us feeling good about ourselves and helped us to grow.

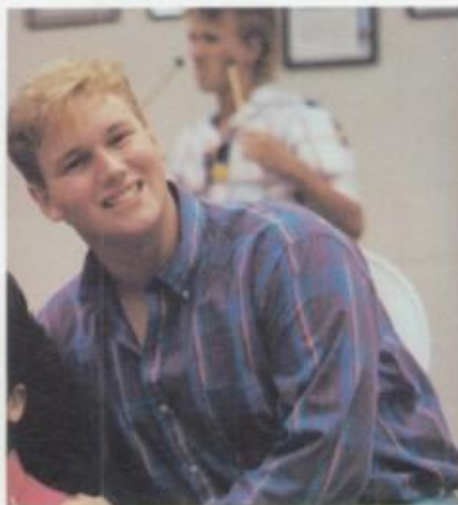

As time passed, we developed a closeness among ourselves that no one else could break, and we came to believe that we could conquer the world, together.

The obstacles we overcame showed us that teamwork could bring us together. The hurdles we jumped became shared memories which we knew would last a lifetime.

A CLASSIC Year In Sports

A CLASSIC year is certainly the perfect way to describe our sports season with our Varsity Red Devil Football team having its first undefeated season since 1956.

Under the direction of Head Coach Hoppy Rewis for the past nine years, the Red Devils completed their unflawed season and experienced the thrill of five shut-outs, a homecoming win against Orlando Bishop Moore, 26 - 18, and a spectacular 42 - 0 shut - out against archrival Sebring.

The CLASSIC perfection of the APHS football program was also rounded off with a bang as the J.V. Red Devils finished their season undefeated also. Led by head Coach Mort Jackson, the J.V. players proved that no one could stop the winning ways of Avon Park Football.

Junior Varsity football, Coach Mort Jackson, and winning have become synonymous during the past three seasons at Avon Park High School. Not only did Coach Jackson and his team have a perfect 7 and 0 season this year, but they also have also accumulated a nearly perfect 20-1 total win-loss record during three seasons. Team pride runs high, and the coaches feel that all the team members' dedication and hard work have propelled the junior varsity team to a winning tradition that is dear to the hearts of APHS students.

Red Devils Capture State Championship

On December 13, 1987 the Avon Park Red Devil Football team captured the 2A state title by defeating the Bonifay Blue Devils 34 to 0, and with the state title, the Red Devils also became the first team in the state to win two state titles in the same calendar year. Avon Park Football was nothing less than perfect in 1987 with the Varsity, Junior Varsity, and Middle School squads ending with no losses or ties. Avon Park Head Coach Hoppy Rewis completed his ninth year of coaching with his first state championship, first 13 — 0 season, and Avon Park's first football title in almost three decades. The excitement of Avon Park's state football title was shared by the entire community, but truly the players deserve all the credit for the many hours they spent practicing in the heat to achieve their goal of state champions.

And there were the Classic fans . . .

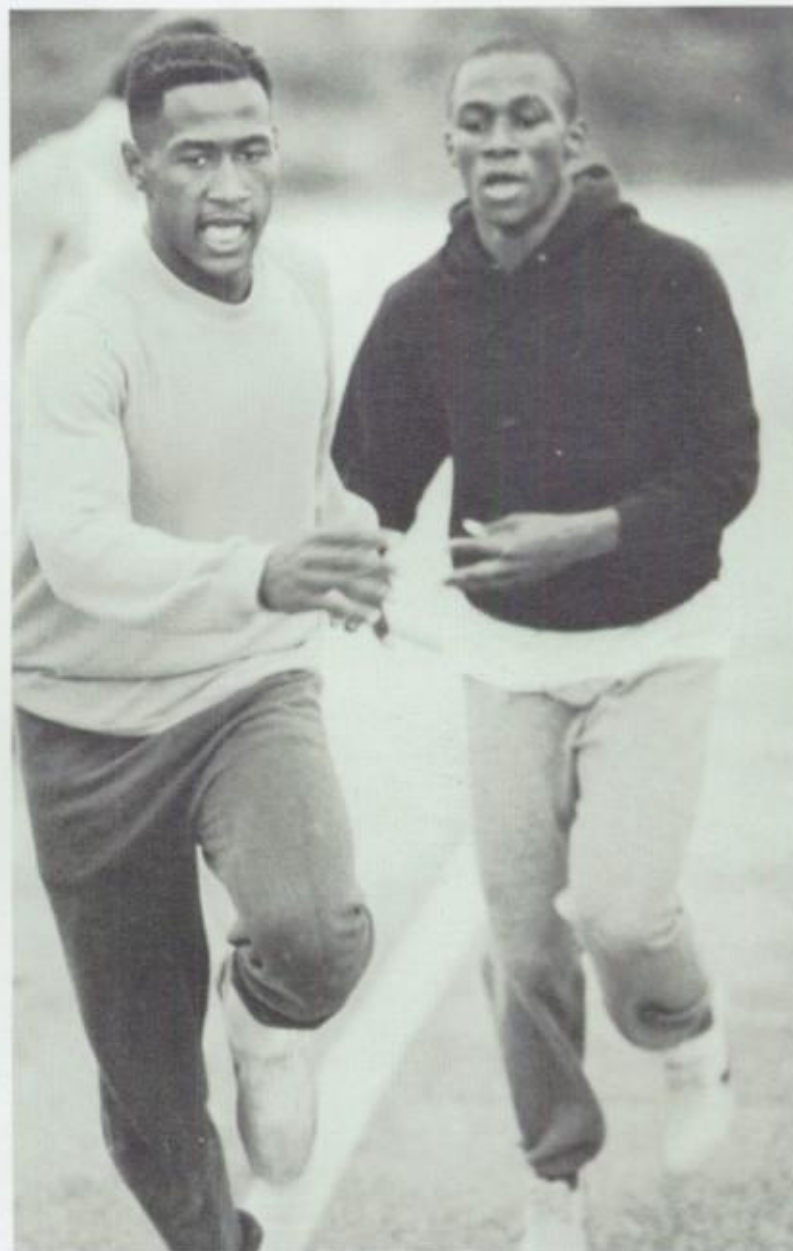

The APHS teams had the applause of the crowds to boost their morale and cheer them on to their many victories. School spirit was at the Friday pep rallies, and supporters flocked to the stadium for the football games. The weather wasn't always great, but the fans were always present — behind the players 100%. Avon Park has been dubbed the City of Champions for its lasting record of championship titles, but the fans who support each team through thick and thin can also feel a great sense of pride in knowing that in their own way they too can share a part of the spirit that will always go along with Avon Park athletics.

A CLASSIC ENDING

TO A CLASSIC YEAR

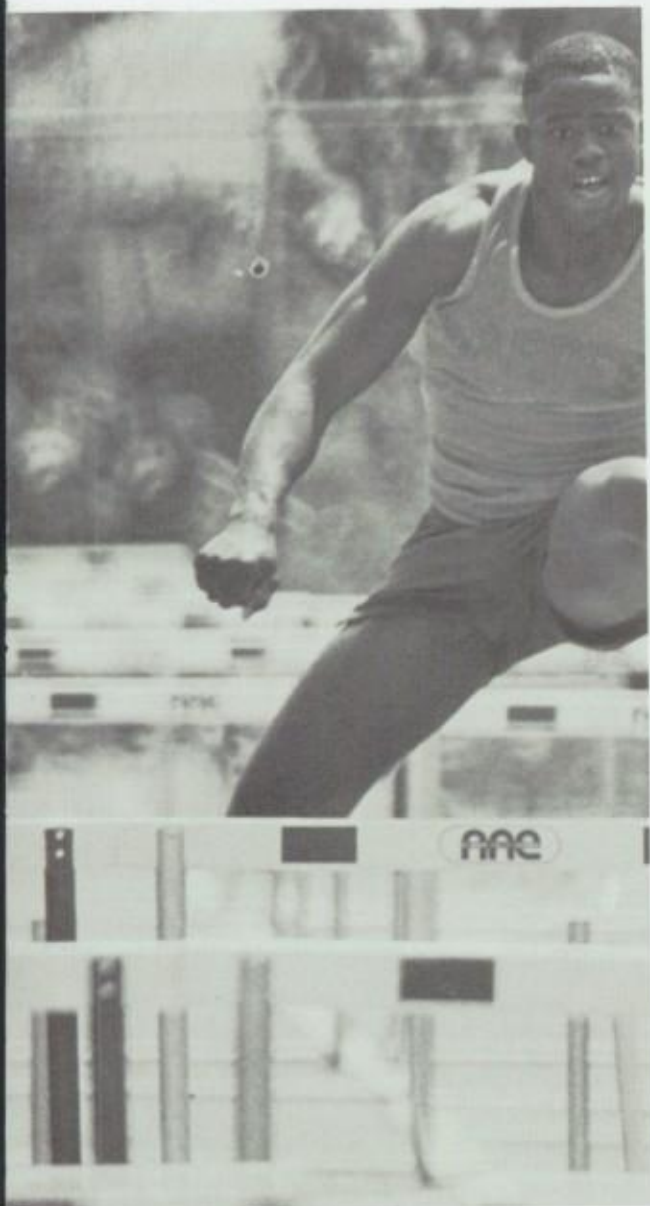

The boys' track team, coached by Chet Brojek, completed its season with a fifth place finish in the state track meet of thirty-four competing teams. Their overall record was 54-11. Senior Earl Collins led the team in points and won the 2A state championship for the long jump. Junior Jimmy Ford set the school record for the triple jump, and Ford, Collins, senior George Gholston, and sophomore Reggie Allen set the school records in the 440 and 880 relay. Other outstanding performers were senior Mike Roth, who led the team in the 880, and sophomore Shawn Miller who ran the team's best time in the mile and the two-mile.

The girls' track team, under the direction of Cherri Lee, ended its season with a record of 25-5-1. The team won the 1988 Heartland Conference, but did not fare well in the state competition. Senior Pam Brown was a winner in the high jump and 440 dash. She also finished 5th in state. Senior Felita Council won the 110 hurdles and finished 5th in state.

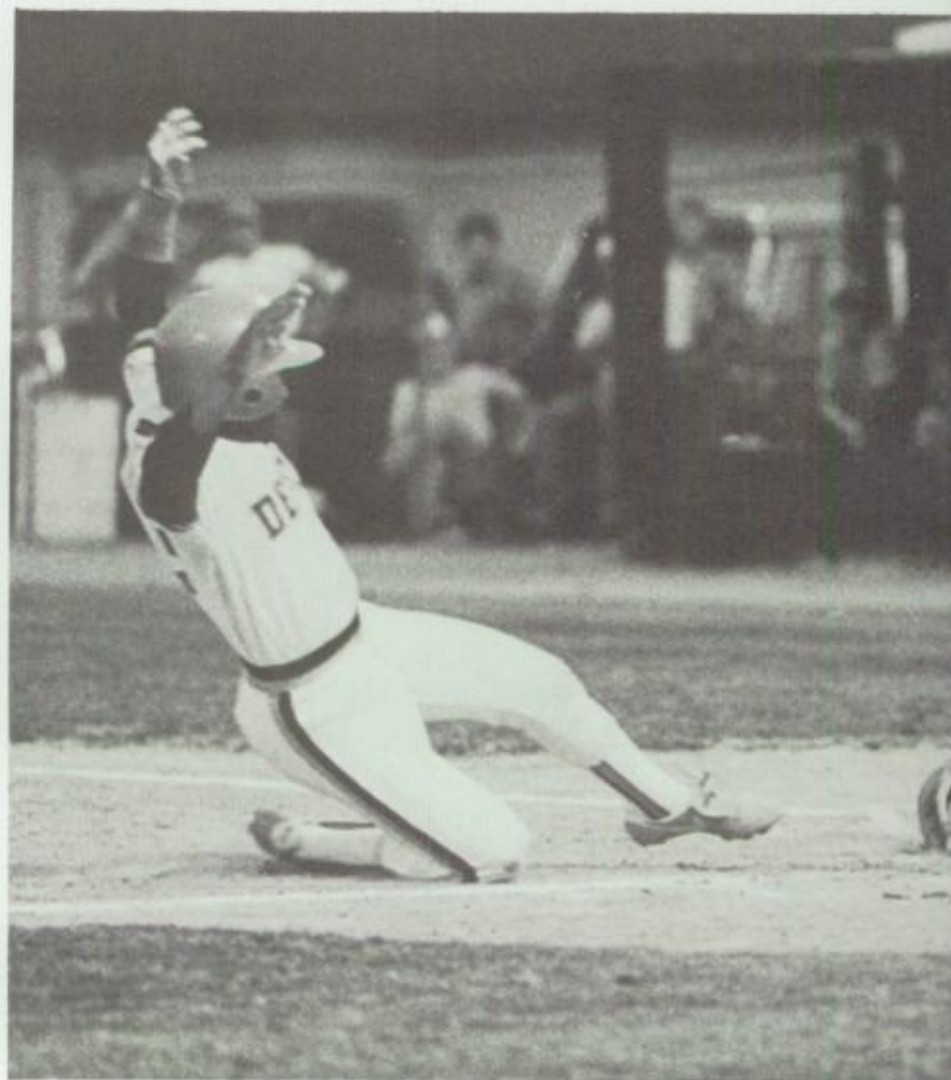

Both teams fared well this year and exhibited the CLASSIC APTS winning spirit.

TRACK

BASEBALL

Following in the big footsteps of his uncle, Coach Ronnie Jackson, Coach Mort Jackson led the APHS varsity baseball team to a very successful year. The team concluded the season with a 23-3 record and won District and Regional championships. The Red Devils finished with a ranking of No. 2 in Class 2A . . . a fine record for a new coach and another outstanding team. Seven team members were selected for the All-County Baseball team: Jim Daly, Spencer Gill, Reggie Gordon, Travis LaFlam, Clyde Pough, Dexter Seigler, and Robert Taylor.

Individual honors were also won by Clyde Pough who was selected for the All-State first team, and by Travis LaFlam who was named to the All-State second team. Clyde Pough also had the distinction of being selected in the third round draft by the Cleveland Indians, and the APHS student body wishes him luck in his future athletic career.

The Red Devils produced another winning season under the guidance of Coach Mort Jackson, and we look forward to many more, but the baseball story wouldn't be complete without noting that our CLASSIC coach, Ronnie Jackson, was voted the National Coach of the Year for Region III. Congratulations to the team and both coaches on a super year.

"HEAVEN ON EARTH" WAS INDEED HEAVENLY

In spite of a new setting, Prom Night was still a CLASSIC one. Saturday night, April 26, saw an excited group of about two hundred juniors and seniors gathered at the new Sun 'n Lakes Community Center for an evening of food and frolics. Everyone enjoyed the delicious meal catered by the Candlelight Inn. They also had a great time admiring each other's tuxedos and party dresses. The "most unusual clothing combination" had to go to the guy dressed out in pink high tops and a tux! After the meal, the dance floor very quickly became crowded, especially when the Roth brothers initiated our new principal, Mrs. Barbara Dean, to the ways of an Avon Park High School prom. She was a bit reluctant at first, but, as always, the Roth brothers overcame all obstacles. Some of the dancers got somewhat carried away by the evenings wild sounds, but the real highlight of the evening was the crowning of the Prom King and Queen, D.J. Springman and Staci Hurd.

D.C. FOLLIES

On Tuesday, April 26, the APHS Marching Grenadier Band boarded an Annette Tours bus to begin a seventeen-hour trip to Washington, D.C. This was the band's second trip to the capitol to participate in annual nationwide band activities. The group worked very hard over the past four years to earn the money needed to pay for the six-day trip, and all the participants enjoyed the numerous activities and competitions in which they took part.

After a loooooong bus ride, the band members, accompanied by the Deans, Mrs. Brown, and several parents, arrived in Washington and began their tour of the capitol and surrounding areas with a trek to Mount Vernon. The day was nearly as long as the bus ride had been, for the group finished the day with an evening at the Ford Theatre, seeing a performance of "Elmer Gantry." The sight of the Hyatt Regency was a welcome one for everyone...no one had seen a bed or a shower in thirty-six hours.

Thursday was spent viewing and performing. Band members saw the Lincoln, Jefferson, and Iwo Jima memorials. They also visited the Supreme Court, the FBI, and Arlington Cemetery. However, the highlight of the day for the Grenadiers was the opportunity to perform patriotic songs on the steps of the Capitol.

Friday the group boarded the bus for a trip to Winchester, Virginia, where the band marched and played in the Apple Blossom Festival, an event which included many bands from all over the country who had, like us, worked hard to raise money to attend and compete. Dustin Lemler won fourth place in the Drum Major competition which included approximately a hundred bands.

The band's last day in Washington included a visit to the Smithsonian and the Viet Nam Memorial wall. The adventurous students also rode the Washington subways and got an impression of "undercity" Washington life before leaving Saturday night on the loooooong trip home.

The trip was a memorable one for all who participated, and for the seniors, it was certainly a CLASSIC trip.

FASHION SHOW

GRAD NITE '88

"How not to dress for Grad Nite" played as big a role in the fashion show as "How to dress" did. Seniors had as good a time dressing at their worst as they did dressing at their best. It's certainly true that APHS students were among the best dressed students who attended Disney World's annual night of fun for seniors from all over the state. The members of the class of '88 who attended the all-night celebration enjoyed the rides, dances, concerts, and making new friends from other schools, although some found the food less than wonderful! Many "mouseketeers" had droopy ears by the evening's end, but tired smiles revealed the fun that all had shared.

BACCALAUREATE

Sunday evening, May 29, found the seniors wandering happily around the back of the First Baptist Church as they waited for the call to line up to march in for Baccalaureate Service. It was their first "serious" appearance in their caps and gowns, and students spent a great deal of their time checking each other out.

Reverends S.C. Couch, Ron Zimmer, and Ron Holley conducted the service, and the APHS Chorus provided special music for the occasion. Particularly appropriate to the season was the group's rendition of "It's Time to Go." Following the service, the APHS seniors were honored with a reception which featured a gorgeous cake, compliments of Bill Jarrett, which was almost, but not quite, too pretty to eat.

GRADUATION PRACTICE

The seniors gathered at 10:00 the morning of graduation to practice in the SFCC auditorium under the watchful eye of senior sponsor Jean Lund, Mrs. Dean and Mr. Goodwin. It took awhile to get everyone settled down and serious about the events to come at eight that night, and some couldn't resist clowning on every single march up and down the aisle. Although their "directors" may have despaired about how the seniors would perform that night, they got a pleasant surprise, for the processional and the recessional were CLASSICally executed.

D.J. Springman and Jennifer Couch gave the salutatory and valedictory addresses, respectively, after Mrs. Handley spoke to the large audience of relatives and friends who had gathered to wish the graduates well. Tammy Celley gave the class history and led the audience in singing the "Alma Mater." Mr. Goodwin recognized the class' twenty-nine students who had at least a 3.0 cumulative average. That number of academically outstanding students represented nearly a quarter of the class; the seniors of '88 were indeed a special group!

Mrs. Handley, Mrs. Dean, Mrs. Crews, Mrs. Lund, and Mr. Goodwin all extended their congratulations to the seniors as they were given their diplomas. Holly Queen gave the benediction, and then a happy group of seniors went to their all-night celebration, Grad Night, at the SFCC gymnasium.

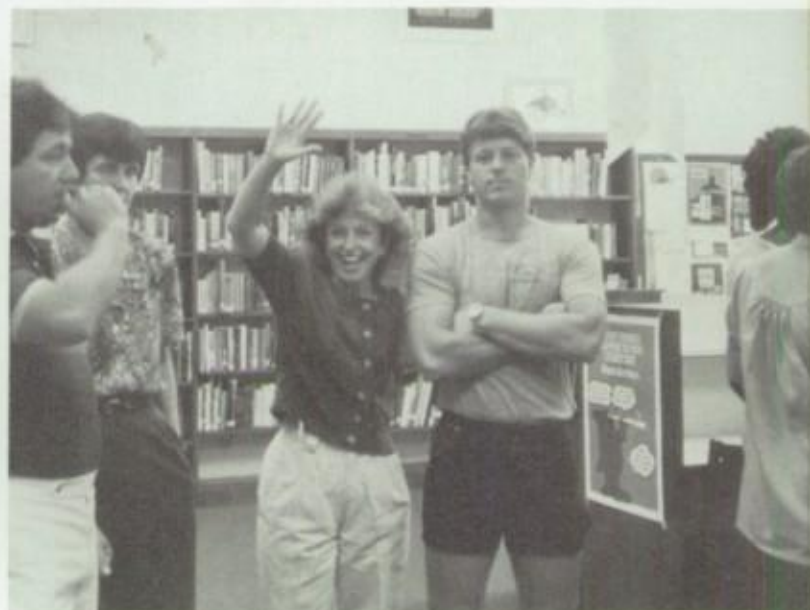

GRADUATION

A Final Goodbye Must be Said TO A CLASSIC TEACHER

This year has been sad in one respect, for we have said goodbye to a good faculty member who has befriended many an APHS student in her twenty-two years here. Mrs. Theda Miracle has played many teaching roles during her tenure. She has taught Life Management, Clothing and Textiles, as well as Physical Education. She also served as co-sponsor of the FHA, and because of her efforts, she received the state advisors award. At the end of the year, the faculty and administrators honored Mrs. Miracle with a luncheon and several gifts to use during her new leisure time. We will miss you, Mrs. Miracle, but we hope you enjoy your well-earned retirement.

These students spend hundreds of hours during the year making layouts, cropping pictures and meeting deadlines for the annual. This year the yearbook did not have one particular individual as editor, but instead the responsibility was shared by each of the eight seniors. To become a member of the annual staff students must file an application with the sponsor and be willing to take on a very heavy work load. The Annual Staff is co-Sponsored by Floyd Barnett and Amy Sizemore.

CLASSIC Picture of the Year!

**DON'T
STOMP OR KICK
BLEACHERS**

Our hearts are filled with special moments
of laughter, frolics, and fun;

We've danced and sung and joked with life,
but our time has finally come.

The time has seemed to slowly crawl
when we've wanted it to fly,

But now, as we look back on it,
We find it flew right by.

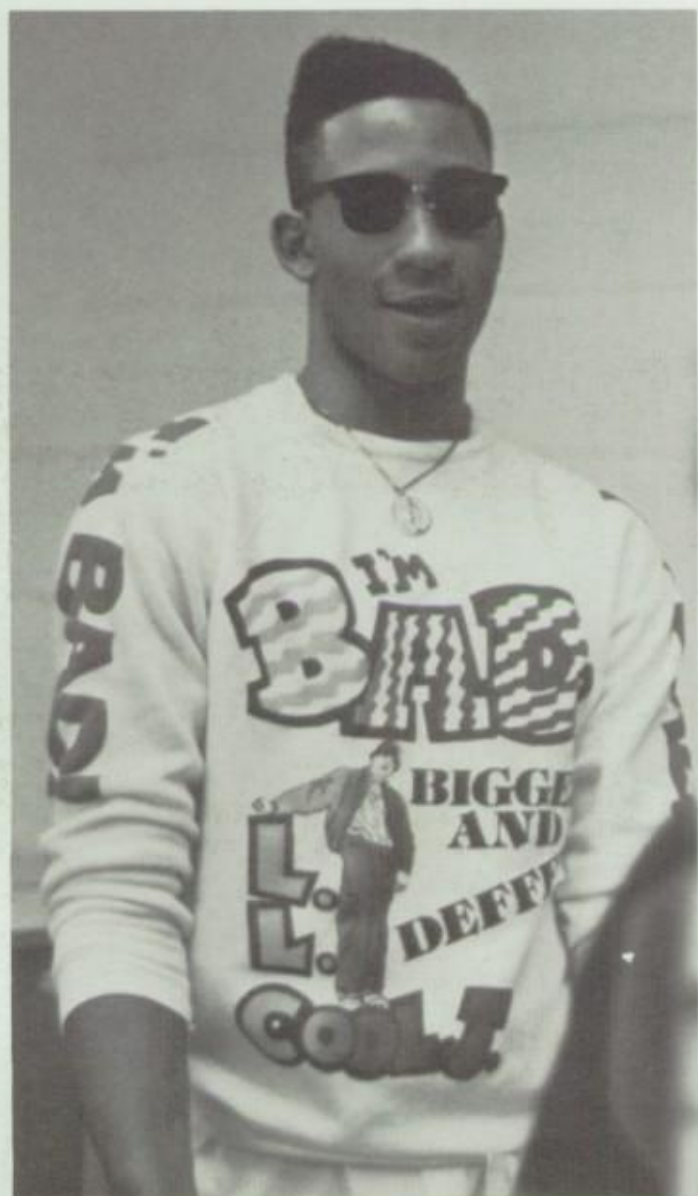

Our futures are now uncertain,
but we hope they'll be bright with fame.
And these memories that entwine us
will help us win the game.
Our youthful years have taught us
the game of life and fate.
Soon we'll be gone,
but the memories will live on
of the class of eighty-eight.

— Tracy McCoy

Homecoming '87

Homecoming 1987 was a superb success with a Red Devil 28-16 win over Orlando Bishop Moore. The Homecoming bonfire took place on Thursday evening with a VICTORY sign spelled in fire. The parade began at 3:15 on Friday afternoon, and the National Honor Society could congratulate itself for a bonfire and parade that everyone thought excellent. The actual festivities began at 6:00 on Memorial Field with a procession of club floats followed by the fifteen homecoming candidates and class sweethearts. At the close of the ceremonies, Felita Council was chosen 1987 Homecoming Queen with Diana Hilton and Amy Williams winning first and second runner-up respectively. The Memorial Field activities and the Homecoming Dance afterwards were sponsored by the Student Council. The fun-filled week of homecoming activities which included such memorable moments as everyone dressing in black to "mourn" the upcoming losers, Bishop Moore, of course, provided memories to treasure.

and great guy who is loads
of fun to be around!

I'm really glad that we
are still friends even though
we didn't have any classes
together. Never forget all
the times in Drivers Ed! You
were a blast! Good luck
in all you do, you deserve it!
